## Higher Education

Contingent Academic Labor

# *CEW*

**Campus Equity Week 2001**  
**October 28 – November 3**

Institutions of Higher Education increasingly exploit part-time and non-tenure track faculty hired with No employment security, No benefits, Little institutional support, Few opportunities for professional development, and with compensation at a small fraction of that paid to their tenured colleagues.

*CEW* is being sponsored by a coalition of Academic Organizations, Professional Associations, and Faculty Unions across Canada, the United States, and Mexico. Activities are encouraged on all campuses to educate the public and policy makers about this degradation of quality in higher education. Our professional responsibility to our students and their future demand our action as we plan for the Fall.
