

# APPLICATION FOR CAMPUS EQUITY WEEK GRANTS

## NFM CEW FUNDING POLICY

(approved by the New Faculty Majority Campus Equity Week Committee and Board of Directors)

NFM Campus Equity Week Grants are intended to help local organizations with scarce resources sponsor CEW activities during the 2013 CEW: October 28-November 2, 2013. Organizations are encouraged to solicit funds from other sources as well; NFM funding should be regarded as supplemental to other funding.

1. Funding is for activities that are publicized as Campus Equity Week activities and take place during the period October 28-November 2, 2013.
2. Materials publicizing CEW activities that are funded or partially funded by NFM CEW Grants should provide NFM contact information, indicate NFM sponsorship, and display the CEW logo.
3. CEW grant recipients should announce funded events by filling out the "Events" report form on the Campus Equity Week website at <http://www.campusequityweek.org/2013/>.
4. Organizations receiving funding should report back to NFM within two weeks of the end of the event(s) indicating the number of people in attendance, kind of activity, media coverage, and analysis of what worked and what they would do differently next time.
5. Applications for CEW Grants will be favored that focus on the working conditions of contingent faculty members in higher education, and also explore the consequences of contingency in higher education on the most vulnerable students and intersections, on diverse students and faculty, on student debt, on the stratification of higher education and on the larger workforce.
